Subject: Review of Reclamation Surety, State Stone, Torrey Buff/Red Quarries, S/055/0021, Wayne, Utah

Dear Mr. MacKay:

In an August 29, 2016, telephone call; you requested that the deadline for submitting increased surety for the Torrey Buff/Red Quarries be extended until November 1, 2016. The Division of Oil, Gas and Mining approves the request. Enclosed with this letter is a modification to cessation order MC-2016-07 which is being renumbered as MC-2016-42-07.

Please contact the bond coordinator, Penny Berry, at 801-538-5291 or by email at pennyberry@utah.gov for information about submitting the additional surety. The current surety is a cash deposit. You may increase the cash deposit, or you may submit a letter of credit, a certificate of deposit, or a surety bond for the increased or the full amount. Bonding forms are available on the Internet at <http://www.ogm.utah.gov/minerals/MINERALSFORMS.htm>.

The Division searched the Mine Safety and Health Administration's database and was unable to find an MSHA number for the mine or State Stone Corporation.

Please contact the permit lead for this mine, Wayne Western, at 801-538-5263 if you have questions concerning this requirement.

Sincerely,

Paul B. Baker
Mining Program Manager
